ABOUT ME

I'm currently studying Digital Development at the University of the West of Scotland. I design and build websites that are clean, simple, and made with purpose. I enjoy design that feels natural and code that works the way it should. I'm always learning and growing, with a focus on creating meaningful digital experiences — from the big picture right down to the details.

WORK EXPERIENCE

Oct-2014 -2021

Brakes

Centre Coordinator

Oversaw daily centre operations, including SAP reporting, staff training, IT support, admin tasks, and facility management. Handled new hire processes, supported the Centre Operations Manager, and maintained smooth communication through shared mailboxes and safety protocols.

March 2013 - Sep 2014

BT

Customer Option Advisor

Handled inbound calls, recommended tailored service upgrades, and ensured all customer complaints were recorded and resolved promptly.
